

Scam of the Week™

April 20, 2012

Joke of the Week™ - Roses are red. Violets are blue. I'm a schizophrenic. . . visit [*The Reverend Tony™*](#) for the **Joke of the Week™**.

Scam of the Week™ - [Trader Joe's](#) has agreed to stock *Magenta Slime™*¹ at their Seaholm store near Whole Foods which still refuses to stock *Magenta Slime™* until edamame renderings are substituted for meat-like renderings which would make it impossible to market as *Magenta Slime™* as edamame is green in color.

In this artist rendering copied from the [developer's website](#), the park at photo-right would require relocation of Cesar Chavez into Lady Bird Lake such as the Bicycle Bridge. Please note that a Capitol view is preserved between Trader Joe's sign and the high-rise.

¹ *Magenta Slime™* is a new meat-like product made from recycled *Pink Slime™* as fortified with *PlaciBox™*, the Magenta pill, It Cures Everything!!!

[Two 50 story condo/hotel towers](#) on two acres in historic Rainey Street with nine original homes removed to make way, needs zoning change. Capitol view is already blocked.

[30 story office building](#) at Third and Colorado needs zoning change. Capitol view is already blocked.

The Armadillo World Headquarters is still a parking lot.

Password tonight is TCB. Peace, love and margaritas, I remain The Reverend Tony™.

Polyticks - [\\$8 Million to F1](#) to move to Austin, [Apple gets a 65% discount on property taxes for 10 years](#) to move to Austin, [another \\$5 Million for the Bicycle Bridge](#) to nowhere and a [3.8% increase in property taxes](#) on US who live in Austin such as The Reverend Tony™ since 1973 and homeowner since 1978.

Light, sweet crude settled at \$102.27 down \$1.37 as natural gas continues to fall to \$1.903. The €uro is steady \$1.3130.
