

Scam of the Week™

August 3, 2012

Happy birthday tomorrow Mr President
And please end the War now!

Joke of the Week™ - What did the blonde say when her doctor told her she was pregnant?. . . visit [*The Reverend Tony™*](#) for the **Joke of the Week™**.

Fútbol - USA v NZL now playing for a spot in the semi-finals against France. Tomorrow is a [full day of men's play](#) beginning at 6:15 am cdt with Japan v Egypt, 8:45 am cdt with Mexico v Senegal, 11:15 am cdt Brazil v Honduras, and 1:45 pm cdt Great Britain v Korea all on NCBSN.

Scam of the Week™ - Rafalca ridden by [Ebeling](#) ranks [27](#) after the first day of horse ballet aka dressage. [Rafalca](#) is owned by Ann Romney wife of Willard Mitt Romney who took a [\\$77,731 tax deduction](#) on said Rafalca which is nice.

Therefore, premises considered, The Reverend Tony™ has acquired a significant number of dressage horses, each qualifying for a \$77,731 tax deduction this year if purchased and put in service before December 31, 2012. Wire \$500,000/ €608,800 immediately to GW Samples, PO Box BR549, Crawford, Niger 66666 to assure in service by December 31, 2012.

[Formula Une™](#) - Only 107 days until the Grand Prix of Austin which has asked Austin City Council for permission to hold Formula Une™ Festival at

Auditorium Shores on the weekend of the race which two days would exceed the 25 days currently allowed for lease of Auditorium Shores and/or Zilker Park and the City already has a waiting list including another three day weekend for [ACL Festival](#).

Austin City Council could say no and should reduce the number of days Auditorium Shores/Zilker Park is leased for non-public use but instead will add five more days thereby accommodating Formula One™ Festival and ACL Festival but inconveniencing the hell out of US who live here and pay the taxes to have Auditorium Shores and Zilker Park.

I pity the residents of Barton Hills as Zilker Park will be the staging area of the [helicopter shuttle to Circuit of the Americas](#) for three days regardless of whether the Formula One™ Festival leases Auditorium Shores.

Password tonight [Kibosh](#). Peace, love and margaritas, I remain The Reverend Tony™.

Polyticks - 95 days until US elects [Bakaboza](#) president.

Light, sweet crude settled at \$87.13 down \$2.26/2.5% for the week as is natural gas down \$0.185/6% to \$2.920. The Euro is also also down to \$1.2176.

[10 dead last week](#) in The War Without End, Amen™. 207 for the year and still counting.
