**January 18, 2013**

**Joke of the Week**<sup>TM</sup> - Iced tea is no longer served at Texas A&M . . . visit

*The Reverend Tony*<sup>TM</sup> for the **Joke of the Week**<sup>TM</sup>.

**Scam of the Week**<sup>TM</sup> - Tonight with Okrah Lance will announce a new foundation but can't decide between Cheat**Strong**<sup>TM</sup> or Live**Cheat**<sup>TM</sup>. Please help Lance decide by voting early and often at *The Reverend Tony*<sup>TM</sup>.

Several things gleaned from last night's broadcast such as

1. The statutes of limitations have run on all of his transgressions, even his frauds.
2. As Lance has been PEDZ free<sup>1</sup> during his comeback therefore the **\$50 Million he has earned since 2008** is not subject to restitution or recoupment.
3. Lance retired from the Tour de France when drug testing became random rather than just after a race during his seven year winning streak.
4. Everyone was doping.
5. **Betsy Andreu was fat.**
6. Lance loved his story and did everything and anything to promote and perpetuate that story. Dear dear Austin wanted, dare to say, needed his story even more.

Arsenal are [18/5](#) over Chelski at [Stamford Bridge](#) early Sunday in a big big London derby as both teams desperately need all three to stay in touch with Champions League qualification. From 7:30am cst on Fox Soccer.

As **Sung Hing** say "The time to relax is when you do not have the time."

Peace, love and margaritas, I remain The Reverend Tony™.

**Polyticks** - A gun owner should be required to have liability insurance of \$10,000 per bullet which is enough to pay for a funeral.
