**Joke of the Week**<sup>™</sup> - Four Catholic woman were playing dominos. The first tells her friends, "My son is a priest. When he walks into a room, everyone says, 'Father'." . . . visit [\*The Reverend Tony\*](#)<sup>™</sup> for the [\*\*Joke of the Week\*\*](#)<sup>™</sup>.

**Fútbol** - [\*\*Arsenal\*\*](#) [travel](#) to [Stoke City](#) for tomorrow's must win to keep pace with the top of the table as everyone is winning. Giroud is back in the team

**Football** - The Mighty Mighty Horns will [sell beer and wine at sporting events](#) such as football beginning with today's women's softball doubleheader. First beer is free for anyone wearing Pendleton otherwise \$8 per which is a nice mark-up.

**Scam of the Week™** - Austin aka ATX for the hipster crowd, has been in a drought for about 100 years so the Shitty Council adopted a radical water conservation plan which has succeeded beyond expectations so much that rates must be raised. The Reverend Tony™ wishes to have thought of "Buy less. Pay more." Liken to the new [MetroRapid](#) bus which is twice as long, costs twice as much and still as void of riders as was the prior service? Word to Capital Metro and ALL governments "Don't think --- it can only hurt the community."

**Password** tonight is "[Lick my decals off](#)". Peace, love and margaritas, I remain The Reverend Tony™.

**Polyticks** - Congratulations to all of the GayLesbianBisexualTransgenders (GLBT™) who can now [marry in Texas](#) AND divorce just like the rest of US, a veritable boon for divorce lawyers. The Reverend Tony™ prefers a GLBT™ with beefsteak tomatoes, applewood smoked bacon and romaine, on toasted sourdough with a smear of chipotle mayonnaise and a Dos Equis.

[Light, sweet crude](#) settled steady freddie at \$102.40, as natural gas plummeted big time to \$4.511 down 25.6% this week after rising 16.1% last week. I pity the traders. The [Euro](#) is steady freddie to at \$1.3710.

[0 dead this week](#) in The War Without End, Amen™ = 12 for the year.
