

# *Scam of the Week*<sup>™</sup>

November 14, 2014, ATX

**APOLOGIES BIG TIME FOR SITE PROBLEMS SINCE HALLOWEEN!!!**

World Tour continues with [Wurstfest](#) but sadly no [CherFest](#) as [Cher has cooties](#).

**Joke of the Week**<sup>™</sup> A chicken and an egg are lying in bed when the chicken takes out a cigarette and begins to smoke. . . . visit [The Reverend Tony](#)<sup>™</sup> for the **Joke of the Week**<sup>™</sup>.

**Football Sooners** got a big-bad Baylor bare-bottom spanking at home no less so they did not have far to go with their tail between their legs. Ouch Big Time. Next up for nka **Swooners** (OFF) is a road trip to Lubbock for an afternoon of CFS and Wet Waiters. Toss a coin, both teams are done!

**Mighty Mighty Horns** on the good foot, won big time and covered 34-13 [West Virginia](#) now travel to Okie State for Saturday night dinner. The Reverend Tony<sup>™</sup> makes it 1-11 that Coach Stronghorn will wear **burnt orange** but O-Taters **wearing orange** is OFF.

**Fútbol Arsenal** has 15 of 25 off for [internationals](#) after another late match meltdown at [Swansea City](#) 2-1 on account of two set pieces.

**Sun Hing say** "You can learn a lot about where you are from where they were."

**Password** tonight is "[Free Lee Otis](#)!" Peace, love and margaritas, I remain The Reverend Tony<sup>™</sup>.

**Polyticks** Most of ATX traffic problems are on highways over which ATX has no jurisdiction such as IH-35, 183 and 290 (federal) and MoPac (state). Even the proposed solutions such as SH 45 are state roads not Austin roads such as Lamar especially South Lamar where the soon to be gone City Council especially Laffingwell and Life O'Riley allowed development on previous setback such as Broken Spoke, instead of using setback for transportation such as Urbane Rail AND keep 3 lanes both directions for vehicles, including bicycles.

[Light, sweet crude](#) settled at \$74.30 down 4.6%, as natural gas is down big time to \$3.977, 9.7%. The [Euro](#) is up a bit at \$1.2487.

[0 dead this week](#) in The War Without End, Amen™ = 51 for the year.
