

*Joke of the Week*TM

One day Sheriff sees Billy Bob walking around town with nothing on but his boots. Sheriff says “Billy Bob, what the heck are you doing walking around town dressed like that?”

Billy Bob replies “Well Sheriff, me and Mary Lou was down on the farm and we started a-cuddlin’. Mary Lou said we should go into the barn and we did. We started a-kissing and a-cuddlin’ some more and things got pretty hot and heavy.”

“Well Sheriff, Mary Lou takes off all her clothes and says that I should too. So, I take off all my clothes except for my boots. Then Mary Lou lays herself on the hay and says, “Okay Billy Bob, let’s go to town!” . . . “Well Sheriff looks like I’m the first one here.”
