Presidential Debait Drinking Game¹

Obama	Romney

1 drink "Let me be clear" "Entrepreneur"

2 drinks "Let me be perfectly clear" "Business/Jobs"

3 drinks "Let me be absolutely clear" "Ronald Reagan"

How it's played

When the opposing candidate says the magic words you must drink the number of drinks. For instance when Obama says "Let me be clear" then Republicans take 1 drink. When Romney says "business or jobs" then Democrats take 2 drinks. When Romney mentions Reagan or Obama says "Let me be absolutely clear" then everyone takes 3 drinks. ¹
